

## Middle School Speaking Camp Session 2

Becoming a good speaker can open up a world of possibilities. Students will learn about the UIL speaking events and enjoy many fun activities together while also becoming better speakers. The goal is also to prepare students for the upcoming competition season. Students can take one or both sessions to improve skills or prepare in multiple events. Students may also take one session to learn about the events and another to focus more on preparation for the upcoming school year's competition. No refunds after the last day of school.
