

Walnut Grove HS
Cross Country (C)

ATH - 7th-9th Grade Cross Country Camp

Athletes will be introduced to a high level of training, preparing them for a successful fall season of cross country. Training will be staggered based on ability so that newer runners can learn gradually while more experienced runners will be pushed harder. Campers should bring a water bottle/sports drink and comfortable shoes to run in. There will be sports drinks, water and light snacks to purchase at the halfway point if they did not bring any. This will make sure the campers are hydrated and have enough fuel.
