ATH - PHS Incoming 9th Grade Boy's Basketball Camp

Get ready to take the next step in your basketball journey at the Prosper Boys Basketball Incoming 9th Grade Camp! This camp is designed specifically for rising freshmen who are eager to prepare for high school basketball at Prosper High School. Throughout the week, players will focus on skill development, fundamentals, team concepts, and competitive play while learning the standards and culture of Prosper Boys Basketball. Campers will be coached by Prosper staff and players, with an emphasis on work ethic, toughness, leadership, and commitment both on and off the court. Our goal is to help each athlete grow in confidence, improve their basketball IQ, and understand what it takes to succeed at the high school level. This is a valuable opportunity to sharpen your skills, build relationships with future teammates, and begin establishing your role within the program. Come ready to work hard, compete with purpose, and improve every day. We look forward to a great week of growth, competition, and preparation for the high school season!
