

Camp Prosper: Explore - Rising 4th Graders (Afternoon Session)

"Camp Prosper: Explore is designed for students entering 4th grade in Fall 2026. Through hands-on, exploration-based challenges, campers will investigate real-world questions through science, math, reading, writing, and social studies. Your child will walk away with new skills, new confidence, and excitement for the school year ahead. Students are welcome to attend one week, multiple weeks, or all three – each week features a different theme and stands on its own, so your child will have a fresh experience every time. Each week offers a morning session (8:30–11:30 AM) and an afternoon session (12:30–3:30 PM). Since both sessions offer the same content, families choose one session per week – either morning or afternoon. "
